

Precision demolition.

Precision Demolition Attachments

- ▶ Ultra High Reach Demolition Boom
- ▶ Heavy Duty Demolition Boom
- ▶ Cutter Crusher Demolition Shears
- ▶ Railbreakers
- ▶ Waste Handling Grapples and Buckets
- ▶ Hydraulic and Mechanical Pulverisers

With our extensive range of custom demolition attachments we deliver precision demolition at its best.

Providing a more cost-effective, efficient and safer work method, our attachments are the best tools for the job, making light work for the most significant and complex demolition projects.

Our attachments are multi-fitting, designed to compliment our extensive range of excavators ranging from the PC220 - PC1250. In addition to demolition, further applications include construction works, scrap handling and waste processing.

Powerful. Precise. Performance.
